## BEISTELLTISCH & SITZGELEGENHEIT SIDE TABLE & SEAT

FÜR INNEN & AUSSEN, MIT KABEL ODER MIT AKKU  
FOR INDOOR & OUTDOOR, WITH CABLE OR WITH BATTERY

Ein Wohn-Gefährte mit hohem Spaßfaktor: Bubble heißt das illuminierte Moree Kleinmöbel, das Beistelltisch als auch Sitzgelegenheit ist. Inspiriert von einem Pouf wurde das Konzept des traditionellen XXL Sitzkissens auf ein modernes, multifunktionales Leuchtmöbel übertragen. Entstanden ist der stabile Bubble aus seidenmattem lichtdurchlässigem Qualitäts-Kunststoff, den es in verschiedenen technischen Ausstattungen und mit Glasplatte oder Sitzkissen gibt.

Ob weißes oder farbiges Licht per LED, Innenraum- oder Garteneinsatz, mit Kabel oder mit Akku, Privatraum oder Großevent – Bubble wird jedem Anlass gerecht.

A living companion with a high fun factor, for all situations: Bubble is the latest small piece of furniture from the German label Moree, that is both an illuminated table and seat. Inspired by a pouf, the idea was to transfer the concept of a traditional cushion into a modern and multifunctional illuminated piece of furniture. The result is the 68 centimeter, extremely stable Bubble made from high quality translucent plastic. Available in several versions along with a glass top and cushions to choose from. Whether a white or coloured light, for indoor or garden use, with a cable or battery, and for private or commercial use, the Bubble can be appropriate for any occasion.
